# U.S. Bombers Hammer at N. Vietnam

By GEORGE ESPER  
Associated Press Writer

SAIGON (AP) — American fighter-bombers today made massive attacks on North Vietnamese positions around fire base Ripcord, abandoned Thursday by U. S. troops after three weeks of heavy losses.

The U. S. Command said that by noon Air Force and Marine pilots had flown 36 sorties against enemy positions around the base 13 miles east of the Laotian border. A sortie is one flight by one plane.

Fifty miles to the northwest and only a mile below the demilitarized zone, U. S. B-52 bombers carrying 10 times the load of the fighter-bombers attacked North Vietnamese base camps and supply depots.

South Vietnamese infantrymen sweeping five miles southwest of Ripcord found a North Vietnamese camp that had been smashed by a B-52 raid Wednesday, but the destruction had no apparent effect on the enemy pressure which forced the American withdrawal the next day.

No new ground action was reported in the region although U.S. patrols were operating out of four other fire bases in the area. Ranging from four miles north of Ripcord to nine miles to the southeast, the bases form a semicircle around the northeast of the A Shau valley, and astride the routes used by the North Vietnamese to the populous coastal lowlands 25 miles to the east.

The American command apparently will try to fill the gap left by the closing of Ripcord with increased bombing raids that have the advantage of holding down U.S. casualties.

In Cambodia, the Viet Cong and North Vietnamese stepped up harassment attacks in Prey Veng Province some 30 miles southeast of Phnom Penh, but elsewhere in the country little fighting was reported.

A military spokesman in Phnom Penh said Prey Veng, the provincial capital, was hit by mortars for three hours Thursday night but no casualties were reported. A brief mortar attack also was reported on the village of Svay Antor, three miles to the northeast.

Just north of Cambodia's border with Laos, Laotian government troops reinforced the local garrison on Khong Island, in the Mekong, in an attempt to counter North Vietnamese guerrillas infiltrating the island.

A spokesman for the Laotian Defense Ministry, Gen. Thongpanh Knoksy, said in Vientiane that the island had been quiet for the past week but that four North Vietnamese battalions were dug in nearby. He reported that the North Vietnamese now have unobstructed use of the Mekong as a supply route from southeastern Laos to Stung Treng, in Cambodia 25 miles south of the border.

The earth ranks fifth in size among the nine planets.

# Weather

Experiment Station report for 24 hours ending at 7 a.m. Friday: High 63, Low 60.

Forecast: ARKANSAS — Partly cloudy and humid through Saturday with widely scattered afternoon and early evening showers and thundershowers. Highs Saturday in the 80s. Low tonight in the 60s.

# Arab Bombers Put on Trial by Greece

By CHRIS ELIOU  
Associated Press Writer

ATHEM (AP) — Two terrorists from Jordan went on trial in Athens today for murder amid Israeli demands that the Greek government repudiate its pledge to release them regardless of the outcome of the trial.

One of the two Jordanians, a 24-year-old tailor named Elias Berg Dergarabedian, waved his hand in the V sign at the courtroom packed with 200 spectators and journalists.

Dergarabedian and Mansour Seifeddin Murad Zugageh, 21, a dental student, are accused of throwing a hand grenade into the Athens ticket office of El Al, the Israeli airline, in November 1969. A 2½-year-old Greek boy died and 14 other persons were injured. The two Arabs are charged with murder, causing bodily injury, illegal use of explosives, and causing damage to foreign property.

If convicted they could get the death penalty, but the Greek government agreed on Wednesday to release them and five other Arab guerrillas to satisfy the demands of Arab hijackers who threatened to blow up an Olympic Airways jetliner with 61 persons aboard.

The government said it would release the Arabs a month after the trial. The other five are serving prison terms for anti-Israeli attacks in Athens.

One of the chief prosecution witnesses was the dead child's father, Christos Nastos, who rushed to the airport Wednesday and pleaded with officials not to free the men accused of killing his son.

Israeli Foreign Minister Abba Eban told his ambassador in Athens to enter a strong protest today against the agreement to release the terrorists. He said the Greek government should not feel itself bound by a pledge given under duress.

Meanwhile, Foreign Undersecretary Christos Palamas called in all Arab ambassadors in Athens. The Greek government is reported to have warned the Arab nations that it would break diplomatic relations with them if any more Arab terrorism occurs in Greece and might expel all Arabs from the country.

# Bruce Talks With S Vietnamese Head

SAIGON (AP) — Ambassador David K.E. Bruce, the new chief U.S. negotiator for the Vietnam peace talks in Paris, conferred with President Nguyen Van Thieu and other South Vietnamese leaders today, seeking to coordinate the next allied moves at the deadlocked negotiations.

No statement was issued. Bruce also met at the palace with Vice President Nguyen Cao Ky and Foreign Minister Tran Van Lam.

Bruce is scheduled to take over his new post Aug. 1.

While in Saigon, U.S. officials said, Bruce will spend most of his time listening.

He is scheduled to leave Saigon Monday.

# Egypt Takes Conciliatory Attitude

NEW YORK (AP) — The New York Times quotes a diplomatic source in Cairo as saying that Egypt told the United States Wednesday that it was ready to stop shooting and begin talks on the basis of U.N. resolutions.

However, Egypt insisted that the resolutions call for restoration of what it described as the legitimate rights of Palestinians and for Israel's withdrawal from all territory occupied in 1967, the Times said in a story from Cairo today.

According to the source, Foreign Minister Mahmoud Riad indicated to U.S. Secretary of State William P. Rogers that Egyptian officials were prepared to go along with procedures outlined by Rogers in his peace initiative last month, the newspaper said.

In a letter Rogers called for a three-month cease fire, negotiations to be conducted through a U.N. mediator and adherence by all parties to the Security Council resolution of Nov. 22, 1967.

The resolution gives the basic outline of a proposed Middle East settlement.

# President on Political Trip West

By FRANK CORMIER  
Associated Press Writer

WASHINGTON (AP) — Richard Nixon's latest President-to-people tour found him bound today for North Dakota and Utah for meetings with assorted Republicans, one Democrat and leaders of the Mormon church.

Nixon, reactivating the Western White House near his seaside villa at San Clemente, Calif., for about 10 days, arranged stops along his westward route at Fargo, N.D., and Salt Lake City.

The Fargo layover was for a conference with the governors of five upper plains states—North Dakota, South Dakota, Minnesota, Iowa and Nebraska. The Chief Executive, who has said he will consider no partisan undertakings in this election year—at least until October—meets with four Republican governors and one Democrat—host governor William L. Guy of North Dakota.

In addition to Guy, the wel-

# Washington Anti-Crime Bill Passes

By JOHN CHADWICK  
Associated Press Writer

WASHINGTON (AP) — President Nixon's anticrime bill for the nation's capital, complete with the controversial "no-knock" and pretrial detention

coming party lined up at Fargo's Hector Airport included three House members from Minnesota and South Dakota—all Republicans.

The President and Mrs. Nixon's visit to Salt Lake City includes a meeting with the First Presidency of the Church of Jesus Christ of Latter Day Saints and other church leaders in the administration building near the famed Mormon Tabernacle.

Before meeting with the churchmen, however, Nixon was to be greeted at Salt Lake City International Airport by Utah Republicans Sen. Wallace Bennett and Rep. Lawrence J. Burton.

Public motorcades were set up in both Fargo and Salt Lake City—a follow-up to recent successful presidential visits through street crowds in St. Louis and Louisville, Ky.

Since his visit to St. Louis last month, where he received the warmest welcome of his presidency, Nixon obviously had seemed to embark on a calculated travel program around the country to bring him in contact with the populous in, to date, relatively trouble-free cities.

Today also marks the 123rd anniversary of the discovery of the Salt Lake Valley by the Mormon pioneers and is a state holiday. One of the big events will be a "Pioneer Day Stampede," or rodeo, in the capital city's Salt Palace.

provisions, has become the first of the White House's crime fighting proposals to clear Congress.

Senate approval on a 54-33 vote Thursday climaxed a week of debate marked by charges that parts of the bill are repressive and violate constitutional rights.

Most of those against passage were liberals, but Sen. Sam J. Ervin, D-N.C., a strict constitutionalist, led the fight against the bill, passed by the House last week 332 to 64. Ervin called passage "a victory for repressive criminal procedures."

Chiefly in dispute were sections permitting pretrial detention of defendants judged likely to endanger community safety and authorizing police to enter homes without knocking while executing search and arrest warrants.

Opponents also protested provisions for expanded police wiretapping under court orders, adult trials for juveniles charged with violent crimes such as murder and rape, and mandatory minimum sentences for second offenders convicted of crimes of violence while armed.

Other parts of the bill providing for a reorganization of the local courts, more judges, an expanded bail agency, and a public defender system were not disputed.

The measure was in line with recommendations submitted last year by Nixon, who described Washington in his 1968 election campaign as "the crime capital of the world."

Other administration crime-fighting proposals still before Congress include measures to renew federal aid to local police agencies, revised penalties for narcotics related crimes, combat organized crime, and apply preventive detention to all federal jurisdictions.

Nixon has strongly criticized the legislators for not moving faster on these measures.

Democratic Leader Mike

# Air Support for Korea Anticipated

By FRED S. HOFFMAN  
AP Military Writer

WASHINGTON (AP) — The United States apparently has agreed to stabilize its air defense of South Korea while reducing American ground troops there this year, according to Pentagon officials.

Their interpretation results from a vaguely worded U.S.-South Korean communique issued after high-level talks in Honolulu.

To dispel any doubts about the troop withdrawal, American diplomatic officials said in Seoul Thursday "there is no change" in the announced U.S. intention to move ahead with reduction of its forces in Korea this year.

It is expected the United States will gradually withdraw about 20,000 of the 60,000 U.S. military men now based in South Korea.

Before the Honolulu Confer-

Mansfield of Montana said he believed sufficient safeguards had been written into the preventive detention and no-knock search provisions to enable them to withstand attacks on their constitutionality.

Sen. Harold E. Hughes, D-Iowa, said "the pivotal question is whether or not repressive measures such as no-knock, preventive detention and mandatory sentencing are necessary to make our society law-abiding."

"I believe we are drifting into a trend of thinking in this country that is forgetful of the value of our liberties and how they were won and that places simplistic faith in the mistaken notion that force and repression are the only routes to achieving law and order," Hughes said.

Friday, July 24, 1970

ence, South Korean leaders said their prime need is help in shoring up air defenses because their air force is outnumbered heavily by a more modern North Korean air force.

According to the conference-ending communique Thursday, the American and South Korean delegations "agreed to develop a plan under which certain U.S. aircraft can be shifted to bases in the Republic of Korea from other U.S. Pacific bases."

Pentagon officials indicated this means a number of U.S. Air Force units stationed in Korea on short-tour rotation from the United States, Okinawa and Japan will be supplanted with units assigned to Korea on a longer term basis.

This, it is felt, will stabilize and strengthen the South Korean air defenses.

There was no indication of an actual increase in the number of U.S. warplanes in Korea.

All told, the United States has about 140 aircraft based in Korea, more than 80 of them tactical jet fighters. Virtually all of the fighters are F4 Phantoms, considered more than a match for most of North Korea's Soviet-made MIG jets.

The United States has provided a squadron of 18 F4D Phantoms to Seoul within the past year. South Korea also has about 45 modern F5 "Freedom Fighters." But the bulk of South Korea's 250-plane air force is made up of 20-year-old aircraft.

### RICE BAG PARTY FOR MISS TROUT

Mrs. Emmett Wassell and Mrs. Mary Sue Evans entertained with a rice bag party honoring Miss Cynthia Trout, bride-elect of Bruce Palmer, Wednesday night at the Wassell home in Westwoods. Miss Trout wore a white dress accented in black and pinned a corsage of yellow mums at her shoulder, a gift from the hostesses. After the rice bags were made, refreshments of punch and cookies were served to the 18 guests, which included the bride-elect's mother, Mrs. Arlest Trout.

### AMERICAN LEGION AUXILIARY

A patriotic theme of red, white, and blue was carried out in the floral arrangements of poppies and fresh flowers in the home of Mrs. Joe Jones, meeting place of the American Legion Auxiliary-Leslie Huddleston Unit 12 when they met on Tuesday night, July 21.

The regular routine of business was conducted by the president, Mrs. Joe Jones.

She announced the following committee chairman to serve 1970-71: Americanism, Mrs. J.W. Branch; Community Service, Mrs. Herbert Griffin; Child Welfare, Mrs. Harry Hawthorne; Civil Defense, Mrs. Vic Cobb; Constitution and By-Laws, Mrs. E.S. Franklin; Communications, Mrs. Joe Jones; Education and Scholarship, Mrs. Lucy Mae Williams; Foreign Relations, Mrs. M. McClaughlin; Finance, Mrs. Arlene Frith; Girls State, Mrs. Mary Nell Turner; Junior Activities, Mrs. Dean Murphy and co-chairman, Patti Ann Murphy. Legislation, Mrs. Talbot Field, Jr.; Membership, Mrs. Charles Taylor; Music, Peggy King; National Security, Mrs. Winnie Rowe; Past Presidents Parley, Mrs. Fred Formby; Poppy, Floyce Taylor; Rehabilitation, Mrs. Olin Purtell.

Mrs. Charles Taylor, program chairman, gave a report on the state convention held in Hot Springs. The poppy plaque won by Unit 12 to keep for 1970-71 was placed on display.

After the meeting closed with the Lord's Prayer, refreshments were served by the hostesses, Mrs. Jones, Mrs. Taylor, and Mrs. Edmiston, to the eight members present.

## Births

Mr. and Mrs. Charles R. Jones of Blythville announce the arrival of a 7 pound, 1 ounce baby girl July 16, 1970. She was named Ann Marie. Grandparents are Mr. and Mrs. Ivan Bright of Hope and Mr. and Mrs. Herman W. Jones of Camden. Mrs. Eros Samuel of the Hope area is a great grandmother.

Some players false-card for the sheer joy of doing it. They follow suit with the queen any time they hold doubleton queen-jack and, in general, their false cards are about as effective as buckshot against a Sherman tank.

The experts also make these blatant false cards on occasion but they do much better when they get a chance to misinform declarer by a delicate series of false-card plays.

It took four false cards by East to trap South but they sure succeeded.

East took his ace of clubs and returned the suit. South went right up with his king, cashed his ace of spades and led a diamond. West went up with his ace and East produced false-card No. 1—the six of diamonds. Nothing sensational, just a quiet six-spot.

West cashed his queen of clubs and East made the quiet false-discard of the eight of diamonds. West led the deuce of diamonds and East continued his campaign of deception by drop-

## Beauties at 1st Baptist on Sunday

Miss Arkansas and Miss Congeniality will speak and sing at First Baptist Church Sunday.

Miss Donna Connelly and Miss Marjorie Royston will both participate in the services Sunday at First Baptist Church. Both of these young ladies grew up in First Baptist church and the church is proud of them. They will be singing and bringing their personal testimony at both the 9:30 and 10:45 services Sunday morning. The public is invited. So far as is known this is the first time in the state that one town and one church has been honored by having two top winners.

## Child Dies From Fear of Dentist

LONDON (AP) — Fear of the dentist killed 4-year-old Denise O'Connor.

She died of fright after four of her baby teeth were extracted, a coroner's court was told.

Within minutes of the brief operation in the dentist's chair she had a heart attack. Still unconscious from the gas anesthetic, she was taken to a hospital, but died two days later.

ping the 10. South led dummy's deuce of trumps and false-card No. 4 hit the table. East played the nine! South finessed the queen.

As you can all see, South can get to dummy by ruffing his last diamond to take a second trump finesse, but what would you do after East's plays? This South thought awhile and finally decided that East was surely out of diamonds, so that he would be able to overruff dummy. Therefore, South decided that East's original distribution had been 6-2-3-2 and that the play of the ace of trumps would drop East's king.

(Newspaper Enterprise Assn.)

## HOPE (ARK) STAR. Printed by Offset Fincher Girls Home on Leave From Navy

Hospital Apprentice Susan Fincher Faulkner and Seaman Daphne Fincher, daughters of Mr. and Mrs. Cecil F. Fincher of 215 N. Louisiana St. Hope, are presently home on 14 days leave.

Hospital Apprentice Faulkner has just completed 10 weeks of recruit training at Bainbridge, Md., and was honor girl of her graduating class at Bainbridge.

After completion of leave she will report to the Hospital Corpsman School at Great Lakes, Ill.

Seaman Daphne Fincher is stationed at the U. S. Naval Air Station at Norfolk, Va. Seaman Fincher is also on 14 days leave and upon completion of leave will return to Norfolk.

Petty Officer McGuffie said both girls are prime examples of the quality applicant the Navy is looking for. Petty Officer McGuffie said the U. S. Navy still has positions open to qualified young women who are interested in such a career. For further information call Louie E. McGuffie, Petty Officer First Class at 774-6301 in Texarkana, Ark.

## Dior Winter Hemlines at Mid-Calf

By LUCIE NOEL  
AP Fashion Writer

PARIS (AP) — The Christian Dior fall and winter fashion collection, designed by Marc Bohan, today stuck to its time-tested theme of elegance and wearability. Fabulous fabrics and finest furs were used for the effect of pure luxury.

Dior's daytime hemlines are all at mid-calf length.

An important group of coats followed a fitted silhouette flaring out toward the midcalf hemline. The length was dropped to the ankles for evening. The waistlines of these coats were always marked by a fabric or leather belt, or half belt in the back.

These coats are worn over matching or sometimes contrasting long sleeved, softly treated crepe shirtwaist dresses.

Capes are exploited for every hour and any occasion. Dior shows them in leather, velvet calf, the new soft silk velvet, matelasse quilting, satin, panne, tweeds or woolens. He lines them in fur. Finally he presented the furs of the spotted cat family, mink, fox or guanaco.

Dior's winter colors stress brick, brown, some gray, beige, rust, fuchsia and bottle green. There is much black shown for day in all-black ensembles.

though he won't talk. Let him know, (during one of his good times) that you want to help, and you're sure a counselor could; but if he prefers to waste half his life, from now on he "suffers" alone.

My I.G.A.P. ("I'm Guessing Again Perception") says this man is more selfish than sad. Call his spoiled-brat bluff, and see!—H.

Dear Helen:

As a registered paramist, please let me offer a possible solution to the problem of the lady who was shorted one pill on three occasions. She should go back to her pharmacy and ask how many pills she was to get in her RX. Perhaps the doctor's writing was poor, or he called for only 24 pills instead of 25-so she is being charged for only 24. There may be a plausible explanation. Our profession doesn't allow for dishonesty. —N.J.S.; R.B.

## N.B. Coleman Man of Year for Watersheds

N.B. Coleman of Fulton, left, receives a bronze plaque from Gordon Swearingen of the Arkansas Soil and Water Conservation Commission on being named "Watershed Man of the Year" for Southwest Arkansas.

A Hempstead County conservation farmer was named "Watershed Man of the Year" at the southwest area meeting of the Arkansas Association of Conservation Districts July 16. He is N.B. Coleman of Fulton, owner and operator of a 1,000-acre livestock and row crop farm.

Winning over a field of 11 contestants, Coleman was cited for leadership in getting the Ozan Creeks Watershed Project organized. A preliminary investigation of the watershed indicated the need for four flood retarding structures, five debris basins and 11.4 miles of channel improvement.

About 19,200 acres of land floods each year and adequate protection would result in annual

benefits of an estimated \$133,100. Some 75 farm units would share in this and other benefits including reduced silting and better drainage of agricultural land.

## Aid Flown to Whooping Crane Area

CALGARY, Alta. (AP) — The Canadian air force sent a Hercules transport north today with more supplies for troops battling a forest fire which threatens the breeding ground of the rare whooping crane.

Latest reports from the Wood Buffalo National Park in Alberta indicated that the fire was more than 20 miles west of the cranes' 1,200-square-mile nesting region and that prevailing winds remained in a southerly direction.

## Orioles 5-4 in 19th Win Over Royals

BY MIKE RECHT  
Associated Press Sports Writer  
As a new comer, Kansas City had a fine first meeting with the Baltimore Orioles, but then they got to know each other like "cousins," and the relationship has been deteriorating ever since for the Royals.

That first meeting was back on May 9, 1969, and after the usual introductions, the expansion Royals and Dick Drago went out and beat the powerful Orioles.

The Royals must have been happy to see the Orioles again the next night, but it wasn't the same, and hasn't been since. Baltimore won that game and went on to win the next 19 after that, including a 5-4 decision Thursday night in Kansas City.

The Orioles' 20 straight victories over the Royals pulls them within one of the firmest "cousin" relationships ever in the major leagues. "Cousin" is a term used in sports for a team that is a pushover for another club, and only the New York Yankees of 1927, who beat the St. Louis Browns 21 times in a row, ever had a better relationship.

Elsewhere on a light baseball night, Minnesota beat Detroit 2-1 and Cleveland upended the Chicago White Sox 5-2 at night in the American League and California stopped Boston 4-1 in the afternoon.

In the National League, Pittsburgh edged Atlanta 6-5 and Houston nipped St. Louis 3-2 at night and the Chicago Cubs trimmed Cincinnati 1-0 in daylight.

The Orioles beat Kansas City 11 consecutive times last season after that opening loss, and their victory Thursday night was their ninth this season—and it came against Drago.

It's not that the Royals don't have their chances against Baltimore—they lost in 13 innings Wednesday night and left 10 men on base Thursday night.

They had runners on second and third with one out in the first inning against Jim Palmer, 14-6, and managed only one run—on a balk. In the fourth, they loaded the bases with none out, but needed a walk to force in their only run.

Doubles by Al Oliver and Billy Sorrell gave them a 3-3 tie in the sixth and Cookie Rojas singled in a run in the eighth to pull them within 5-4, but, with two on, reliever Pete Richert got pinch-hitter Bob Taylor to hit into a doubleplay.

Finally, in the ninth, they had runners on first and third with two out, but Eddie Watt came in and retired Oliver.

Meanwhile, Frank Robinson was busy keeping Baltimore's streak intact. He hit the first homer off Kansas City pitching in 135 2-3 innings, a blast with one on in the third inning, his 18th, for a 3-1 lead. Then, he hit a sacrifice fly in the seventh for a 4-3 lead.

Rookie Bob Grish stroked a run-scoring decisive triple in the eighth.

The victory also increased Baltimore's Eastern Division lead to six games over Detroit, which bowed to the Twins on George Mitterwald's eighth homer that broke a 1-1 deadlock in the seventh.

Rookie Bert Blyleven, 4-3, won a duel from Joe Niekro, 10-9, yielding only four hits.

Vada Pinson hit a two-run homer in the fifth for a 3-2 lead after Eddie Leon slammed a solo shot in the third as Cleveland backed Sam McDowell, 15-4, who became the second pitcher in the league to win 15. He spaced 10 hits and struck out nine.

## Redondo in Semifinals at Tourney

LITTLE ROCK (AP) — Top-seeded Marita Redondo of San Diego, Calif., advanced to the semifinals of the girls' 14 and under U.S. Lawn Tennis tournament here Thursday, defeating Kathleen Galt of Studio City, Calif., 6-0, 6-3.

## Golfers Make Shambles Out of Course

By BYRON YAKE  
Associated Press Sports Writer  
LIGONIER, Pa. (AP) — Arnold Palmer and Jack Nicklaus nearly embarrassed the National Four-Ball Tournament officials.

That is, Palmer nearly embarrassed himself, on his home course at Laurel Valley Golf Club.

"They made shambles out of the course," said Laurel Valley President George Love.

Palmer and Nicklaus teamed Thursday for a brilliant 10-under-par 61 on the 7,045-yard Laurel course, nestled on a former pheasant preserve owned by the late Richard K. Mellon in the hills of western Pennsylvania.

The Palmer-Nicklaus round was relaxed and near perfect.

The two golfing greats had no bogeys. Palmer reeled in six birdies and Nicklaus four as they soared to a three-stroke lead over their nearest rivals, Dave Eichelberger and J. C. Goosie and the Jim Colbert-Dean Refram team, which both scored 64s.

Howie Johnson and Chris Blocker, Joel Goldstrand and Harry Toscano, Pete Brown and George Johnson, and Bob Charles and Bruce Devlin all had six-under 65s.

George Archer and Bobby Nichols, the champions in 1968, the last time the tournament was played, had a 67.

But it could have been disastrous and embarrassing to Palmer at the dogleg 18th.

The greying Palmer hit his second shot short of the green, then chipped to within three feet of the pin.

Nicklaus' second shot, a five iron, hit above the pin and rolled back to within 15 inches of the cup.

Palmer marked his ball and his caddie, thinking Nicklaus had a sure birdie, stuck the ball in the bag.

It was impossible for the nearby Latrobe native to distinguish between the balls in his bag, so he picked up, putting all the pressure on Nicklaus.

"I was praying Jack wouldn't miss," said Palmer. "I could just see him miss, then three putt."

"I was thinking about the same thing," said the slimmed-down Nicklaus, decked in a pink and black outfit.

"It would have been easy to miss. There was a big break and if it would have lipped it would have gone six or seven feet past."

The 60 teams play the second round today after which the field will be cut to 40 teams for the final two rounds Saturday and Sunday.

## Blevins Little League Players

## Stalemate Doooms All-Star Game

By THE ASSOCIATED PRESS  
PHILADELPHIA (AP) — Pro football's owners have appealed directly to the players in the contract impasse but say they'll sit down at the bargaining table today with the National Football League Players Association.

Both sides in the prolonged stalemate, which has virtually doomed the annual College All-Star Game in Chicago, agreed to meet here with representatives of the Federal Mediation and Conciliation Service.

It's the third site for a FMCS session with the warring owners and players but the first where it appeared both sides would show up.

John Mackey, Baltimore Colt tight end and NFLPA president, said his group was ready for round-the-clock negotiations.

The presidents of the 26 NFL teams sent to each of their players Thursday a lengthy memorandum summarizing the clubs' positions on the negotiations.

The so-called position paper accompanying letter from each team were virtually identical.

"Unless existing differences can be resolved, the game as we know it...may well be destroyed," said Max Winter, president of the Minnesota Vikings. "The situation is extremely serious."

And, Art Rooney of the Pittsburgh Steelers, called the stalemate "extremely grave with no visible solution to the impasse."

Mei Kennedy, one spokesman for the NFLPA, said in Washington that the organization was aware of the position paper. "The guys get in touch with us as soon as they get one."

In Washington, Tom Vance, another NFLPA spokesman, telephoned New York at midnight, asked that the 1,600-word position paper be read to him and said the NFLPA would issue a formal statement on it sometime today.

Wellington T. Mara, president of the New York Giants, told his players: "The demands of your association are irresponsible, without foundation in fact, and completely without justification in the present economy of professional football and this nation."

In his prelude to the position paper, Mara said the owners "feel on the basis of questions asked of us that the officers of the Players' Association have not been keeping you (the players) properly informed of the facts of the negotiations."

The two sides are reportedly more than \$17 million apart over a four-year contract. Contributions to the pension plan by the owners is the biggest stumbling block in the negotiations. Owners say they're presently paying \$2.8 million annually to the pension fund and their offer of increases would increase this 60 per cent in four years.

The position paper, translating the pension proposals into individual benefits, projects, assuming a six per cent investment performance, a \$690 monthly pension to a player with five years service at the age of 55. The same player, if he waits until he's 65, would get a \$1,664 monthly pension.

For a 10-year veteran, the figures would be: \$1,380 at 55 or \$3,330 at 65. After 15 years play, it would be \$2,070 monthly at 55 or \$4,995 at 65—\$59,940 annually.

The owners said the players' last proposal was unrealistic because it would encompass an average of \$6.45 million yearly for four years.

ARNIE LINZY AND TIM GREGORY

## Joe Pepitone Won't Go to Houston

NEW YORK (AP)—Joe Pepitone hit the high note of his career as a singer—but there was nothing wrong with his punch-line delivery, either.

Joe "I Won't Go Back to Houston" Pepitone slammed out a swinging rendition of "Around the World" and threw in one-liners in the best top banana tradition while appearing on the Merv Griffith Show Thursday night.

The AWOL Houston Astros' outfielder-first baseman appeared along with actresses Eva Gabor and Peggy Cass and singer Julius LaRosa on the CBS-TV show taped for national television tonight.

Pepitone, under suspension by the Astros after jumping the team Tuesday, appeared in a giddy mood before and during his performance.

It was billed as Pepitone's singing debut—but the shaggy-manned Pep corrected an inquiring reporter:

"That's not altogether true," he said. "I sang once on the Mike Douglas Show—but that was impromptu."

Would he consider singing for his supper if his baseball career was washed up?

"Not really, I still want to play baseball," he said. "Just not in Houston. I'm not going back to Houston."

Where would he prefer to go? "New York is where it's at," said Pepitone. "I wouldn't mind coming back to New York—either with the Yankees or maybe the Mets."

Pepitone had similar troubles while playing for the Yankees before his trade last year to Houston. He was fined several times for leaving the team without permission.

The 29-year-old player returned to his Brooklyn home Wednesday after several clashes with Houston Manager Harry Walker. In so many words, Pepitone said he was accused of lying about an elbow injury which kept him out of action.

"My arm just doesn't feel right," said Pepitone. "and I'm not going to play with it in this condition. I wanted to give my best to the Houston fans. They fans are just great there. They even applaud when you're not doing well."

"My New York doctor told me I could ruin my career by playing in my condition. I'm only 29. I've still got some way to go."

Pepitone received a \$5,000 raise when he went to Houston but he said that's all been eaten up in fines and lost pay since his suspension.

Peppitone also won in their rounds

## Dramatics Steal Show at Tennis Match

CINCINNATI (AP) — Action did not center on the center court Thursday at the Western Tennis Championships. Players on an end court stole the show some with their play and some their dramatics.

Top-seeded Ken Rosewall of Australia, in one of the leading matches, defeated 14th-seeded Jaime Fillol of Chile 6-2, 6-4. The two were forced to play on the end court—the seventh court because of a long match at center court.

The dramatics started when sixth-seeded Ion Tiriac of Rumania was playing unseeded Brian Fairlie of New Zealand whom he ended up beating 8-6, 1-6, 6-3. Tiriac began disputing line calls in a loud tone and Clark Graebner of New York City and Ray Ruffels of Australia grew irritated because they were playing a match on the adjoining court. Then Graebner yelled back at Tiriac.

Graebner commented later that "they're talking, and yelling and screaming, and we're concentrating, trying to play our match. Every other ball you hear those guys hickering. I don't mind if they bicker. That's part of the game, but not on every shot."

Ruffels, who had called on the referee and suggested to Graebner that they finish their match later, said, "We weren't going to play our third set with all that bloody rubbish going on."

By the time the referee arrived, Tiriac had knocked off Fairlie. Then Graebner and Ruffels moved onto the seventh court and concluded their match with Graebner, seeded No. 8, downing the unseeded Australian 4-6, 6-2, 9-7.

Second-seeded Cliff Richey of San Angelo, Tex., ousted Yugoslav Nikola Pietrangola 6-3, 6-4. Fourth-seeded Jan Kodess of Czechoslovakia edged 11th-seeded Georges Goven of France 6-3, 4-6, 7-5. The third seed, the Nasase of Rumania, breezed by U.S.A. student Jett Borowak 6-0, 6-1. And seventh-seeded Stan Smith of Pasadena, Calif., outlasted 16th-seeded Bob Carmichael of France 5-7, 6-3, 6-2.

Favorites in women's competition also won in their rounds

Bottom row, left to right: Jeff White, Jim Yates, Kyle Campbell, Mark Gregory, Kevin Linzy, Jim Linzy and David Stone.

Top row, left to right: Gary Bobo, Randy Sands, Jerry White, Tim Gregory, Bobby Nevins, Arnie Linzy, Jerry Don Morton and David Miller. Coaches: Virgil Bobo and Billy Campbell. The coaches recently selected Arnie Linzy of the Blevins Little League as "Most Valuable Player."

Arnie is the son of Mr. and Mrs. Arnold Linzy of Blevins.

Tim Gregory was also selected as "Most Valuable Player" on the Blevins Little League Team. Tim is the son of Mrs. Jeanette Gregory of Blevins.

The Lions stowed away a second consecutive Little League Championship recently, winding up the season with a 9-3 record under the coaching of Coy Aylett and Dennis Horn.

Rotary finished second with an 8-4 record and by virtue of two late wins, Blevins advanced to third place.

## College All-Stars Still Working Out

EVANSTON, Ill. (AP) — The College All-Stars are grinding through twice daily workouts wondering if their July 31st meeting with the world champion Kansas City Chiefs will ever take place.

"We're cutting down on the rough stuff because we don't want anyone injured for nothing," Coach Otto Graham said Thursday night, "but we'll continue to practice until the game officially is called off."

As the collegians rambled through drills on Northwestern University's training fields, representatives of the NFL Players Association declared Thursday that they would not allow the Chiefs' to report to training camp because of the NFLPA's dispute with club owners.

Chiefs Coach Hank Stram has said that his team would need at least a week to prepare for the game with the All-Stars at Soldier Field.

As the deadline closes in, however, The Chicago Tribune Charities Inc., the All Star game's sponsor, continued as usual promotional procedures and ticket sales for the 37 year old classic.

"Right now we're just getting ready to play and we're selling tickets," George Strickler, president of Tribune Charities, Inc., said.

Graham, who is coaching his 10th All Star team, forecast that his squad would practice into next week unless the game is officially called off.

The All-Stars pulled a one day boycott of drills last week in support of the NFL Players Association in its stand against the owners.

## Pappas Has 4th Straight Victory

By TOM SALADINO  
Associated Press Sports Writer  
Milt Pappas zeroed in on his former teammates and came through with his fourth straight victory, aided by a home run pitch and a pitcher's dream.

Pappas, a 31-year-old right-hander, scattered four hits Thursday in blanking the Cincinnati Reds 1-0 as the Chicago Cubs rolled to their third straight triumph. It was the first time this season the West Division leaders had been shut out.

Pappas, a 14-year major league veteran, has now hurled four complete games and raised his record to 6-3 since coming to the Cubs from the Braves on June 25. He is 4-1 in his new uniform.

The former Baltimore Oriole, who was traded to the Reds in 1965 for Frank Robinson, said "I feel I'm starting a new career at the age of 31."

He said the turning point in Thursday's game was in the sixth inning when the Reds had the bases loaded with only one out.

"I'm up against Johnny Bench and this is the key situation in the whole game," Pappas said afterward. "My first pitch is a high, hanging slider—a home run pitch—but Bench swung too hard, just grazing it."

Pappas got another strike and "Then I wh

## Won't Play 'Til After Settlement

By BEN THOMAS

Associated Press Sports Writer Minnesota Viking veterans showed up at training camp for physical examinations but stressed that they had no intentions of actually starting pre-season training until the National Football League contract negotiations are settled.

Mick Tingelhoff, Viking center and spokesman for the veterans, said he was hopeful the negotiating session today in Philadelphia would produce a settlement.

New Orleans Saints veterans, however, apparently aren't as optimistic. A dozen first-stringers, who've been holding rump sessions near the Saints' Bowling Green, Ohio, camp, decided to go home and await the end of the strike-lockout.

Tingelhoff, player representative of the Vikings, said many of the veterans voluntarily showed up for Thursday night's examinations "so we can save a day later." Photographers were barred and Tingelhoff said the veterans didn't want any publicity.

The New Orleans veterans had been working out at a high school football field at their own expense. Al Dodd, acting as a spokesman, said most of the men decided it was getting too costly since the end of the squabble doesn't appear in sight.

Elsewhere around the training camp scene, where only rookies are drilling.

The Baltimore Colts ordered another physical exam without saying why for barefooted kicker Don Currin, a walk-on who landed 45-yard placements when he showed up Wednesday. On Thursday, however, he wasn't as spectacular. Some kicks were shanked and many were short.

Phil Olsen, No. 1 draft pick of the Boston Patriots, underwent knee cartilage surgery and the word was that the Utah State rookie may be lost for the season. The Atlanta Falcons opened rookie camp and 48 were on hand. Bernie Babecek, a free agent tackle from Dartmouth, was cut by the Dallas Cowboys, who also had running back Tom Broadhead, acquired in an off-season trade with New Orleans, and free agent defensive back Steven Brown from Idaho, leave on their own.

The Los Angeles Rams, meanwhile, signed 6-foot 8, 290-pound defensive tackle Lawrence Jarmon, who had been released earlier by the Cowboys. The San Francisco 49ers cut four rookies running back Stan Blaymon from Jackson State, linebacker Dave Corcoran of British Columbia, wide receiver Bruce Rosenberg of San Jose State and linebacker Steve Stanich of Santa Clara. A fifth rookie, defensive tackle Richard Lee from Grambling, voluntarily left the 49er camp.

And, the Houston Oilers, training at Kerrville, Tex., reported that scout Tom Williams had been pressed into service, only temporarily, as a defensive end in workouts because of a shortage of personnel. Williams was described as "running like Charlie Chaplin."

## McDowell: Over 200 Strikeouts

CLEVELAND, Ohio (AP) — Sam McDowell went over 200 strikeouts for the sixth straight season Thursday night as the Cleveland Indians beat the Chicago White Sox 5-2.

McDowell upped his record to 15-4 with his seventh straight victory, the 12th in his last 13 decisions.

**102. Real Estate For Sale**

**BABOON TRESPASSERS** MIDDLEBURG, South Africa (AP) — A large troop of baboons, ignoring signs that "trespassers will be prosecuted," has moved into the army's 650-acre training grounds near here. From this sanctuary they are raiding maize (corn) crops and frustrating farmers who are unable to pursue them when they return to the training area. The baboons have even had a population explosion and boosted their numbers to about 200.

**FOR LEASE AT HILLCREST AND IMPERIAL**—1 and 2 bedroom apartments. Central air conditioning. Utilities paid. Some furnished, \$100 up 777-3383, or 777-6731. Also, full equipped EFFICIENCY apartments available by the week.

5th Senatorial District  
**OLEN HENDRIX**  
**DEAN MURPHY**

**For State Representative**  
Hempstead County  
**MACK McLARTY**  
**ARTHUR STRECH**

**Challenges Right to Vote at 18**

**CAMDEN, Ark. (AP)** — John Norman Warnock, a candidate for attorney general on the American party ticket, said Wednesday that if Atty. Gen. Joe Purcell did not intend to join the state of New York in contesting the constitutionality of allowing 18-year-olds to vote the APA would under take such an effort.

Congress approved the provision this year, and a suit has been filed to determine whether the Congressional action can withstand legal challenge since the measure was not a constitutional amendment.

**Model Railroad More Than 'Playing Trains'**

**By JIM CROSSLEY**

There's a 25 per cent chance that he's a professional man.

It's 44.2 per cent probable that he has a college degree (and 4.9 per cent that he has his doctorate).

It's 57.2 per cent a probability that his age is somewhere between 21 and 40. But there's a 23 per cent probability that he's older, 41 to 60 years.

Average age—33.2 years. Average income—\$13,000. Own homes—57.6 per cent.

The above percentages are among the rather surprising findings in a study of America's model railroaders. These are the people who have a hobby of collecting and operating tiny trains. There is estimated to be 150,000 of them.

Interest centers on five main scales or sizes. HO proved the most popular—76.7 per cent.

On the average, each hobbyist spends 10 hours a week pursuing his interest. A portion over half of them have their own track layouts on which they work.

Model railroading offers a wide range of satisfactions, the survey found. For 21.9 per cent, operating trains gave the biggest kick. Next came car construction, 19 per cent. Next, locomotive construction, 12.9 per cent. Building the layout and scenery came close behind.

The magazine Model Railroading has just reported on this survey it made. A forward-looking publication, it is very aware of the increasing leisure time and the need for avocations such as working with miniatures as a mental stabilizer in our present society.

The survey turned up these additional interesting facts:

• The age of steam grips the imaginations of most modelers — years 1900 to 1935.

• Average individual spending on the hobby was \$276 per year — an annual market of \$41 million.

• Television watching is losing out to the hobby. In a 1955 survey, average time reported spent before the set was 14.5 hours per week. It dropped to 11.7 hours in the new survey.

**DOCTOR'S MAILBAG**

**Bed Rest Is Important In Infection Control**

**By WAYNE G. BRANDSTADT, M.D.**

**Q—My mother has varicose ulcers on her legs. What is the best treatment for them?**

**A—The first step** is bed rest until any infection that may be present can be controlled. Covering the ulcers with gold leaf or using an ointment containing neomycin and an enzyme (Biozyme, a prescription item) are effective forms of treatment. If the ulcers involve the deeper skin layers a skin graft is usually necessary.

**Q—I have some open sores on my legs. The only ointment that has helped me is one used in the hospital to heal bedsores. Do you know what it is?**

**A—The two kinds of ulcer** usually respond to the same treatment. You may have been treated with the Biozyme mentioned above or Gelfoam which is also a prescription item.

**Q—What causes old people to have blue veins on their hands? What can be done for them?**

**A—All veins near the skin surface** look blue. No treatment is necessary.

**Q—When I get up from lying down I am momentarily dizzy. Is this caused by too low a blood pressure? Is it possible to have a low blood pressure without being anemic?**

**A—The dizziness** is caused by a sudden drop in the blood pressure in your brain rather than a sustained low pressure. Getting up more slowly should eliminate the problem. Although the loss of a large amount of blood (secondary anemia) will cause a drop in blood pressure, low blood pressure is not a prominent feature of other forms of anemia.

**Q—In a recent column you said niacin will lower the blood cholesterol level. I am taking one 100-milligram niacin tablet per day. Is that enough?**

**A—If your blood cholesterol level is within normal limits, you do not need to take niacin unless your diet is deficient in vitamin B. For a high cholesterol level, 30 to 60 times your present dosage for several months would be needed to bring it down.**

**Q—In a recent column you said too much iron could cause a disease. My husband and I are taking multivitamin pills with added iron. Is this harmful?**

**A—The daily requirement for iron for a man is 20 milligrams and for a woman 15 milligrams. Most multivitamin tablets contain approximately this amount. They would be harmful only if there is already too much iron in your blood.**

A big old-fashioned water wheel! Round and round it turns and oh, how slowly! Sure, water below the wheel has gone but water above the wheel still possesses potential power that may influence the lives of millions. It is that way with human life, too. The gigantic wheel keeps turning while life keeps passing. "The wheels of the gods grind slowly but they grind exceedingly well." One generation comes while another goes... 3,600 souls go over the wheel every hour... 86,000 every day. Stop right where you are! Think of your opportunity! Act immediately! *You have only a little moment to make your contribution to the sum total of human goodness.* Just what are you going to do about it, sir? Perhaps you should join the increasing millions who are finding solution to their problems through regular church attendance. You may also find a better way to expend your potential for good.

HAVE  
FAITH  
IN  
GOD  
—  
—  
TRUST  
ONLY  
IN  
HIM

## Joint Meet at Magnolia

## Big Stakes Loom in Saturday Races

By TED MEIER  
Associated Press Sports Writer  
Pleasure Seeker, Unity Hall, Corn Off The Cob, Office Queen and Process Shot loom as the horses to beat in the big stakes races on Saturday.

Pleasure Seeker is slated for the \$100,000 Brooklyn Handicap at Aqueduct, Unity Hall for the \$100,000 Sorority at Monmouth Park, Corn Off The Cob for the \$100,000 American Derby at Arlington Park, Office Queen for the \$50,000 Delaware Oaks at Delaware Park and Process Shot for the \$50,000 Susquehanna Handicap at Liberty Bell.

Rounding out the weekend thoroughbred card is the \$25,000 Graduation Stakes at Detroit, the \$20,000 San Diego Handicap at Del Mar, the \$15,000 Pelham Handicap at Rockingham, the \$7,500 Brickell Handicap at Tropical Park and the usual allowance feature at Lincoln Downs.

The 4-year-old Pleasure Seeker came east after an easy triumph in the \$162,000 Hollywood Gold Cup on July 11.

He gets into the 1 1/2-mile Brooklyn at 117 pounds against a field likely to include Barometer, Needles N Pens, Dewan, Never Bow, Hydrologist, Verbatim and Beau Brummel. No double was declared out earlier this week because of a low blood count.

Unity Hall seeks to extend her unbeaten streak in the Sorority. Other probables in the six-furlong race for 2-year-old fillies include Deceit, Forward Gal, Sea Saga, Bonnie and Gay, Inca Queen, Lady Herald and Miss Shimmer.

Corn Off The Cob, with 125 pounds, will be pitted against seven rivals in the American Derby, a 1 1/4-mile test on grass. The seven are the Pruner, Aggressively, Coaltown Cat, Oh Fudge, Admiral's Shield, Mr. Stoner and Robin's Bug.

Office Queen shares top weight of 121 pounds with Lady Vi-E in the Delaware Oaks, but is regarded as the likely choice in the absence of Missle Belle. Luminous Lagoon, Space Gal, Daring Step, Iron Pro, Peg-O-Lark, Virginia Cracker, Glenary and Forbidden Lass are other probables in the 1 1/4-mile race for 3-year-old fillies.

Process Shot, a 4-year-old filly, is slated to carry top weight of 133 pounds in the Susquehanna at 1-1-18 miles, and because of this she is likely to meet a big field.

**Granted Degrees to Women**  
Saint Mary's College, Notre Dame, Holy Cross, a liberal arts school for women near South Bend, Ind., was the first Catholic college in the United States to grant degrees to women.

The King Solomon Grand Lodge and the Oziel Grand Chapter Order of Eastern Stars, State of Arkansas, convened recently in Magnolia, Arkansas. The session maintained a high interest in business and spiritually.

Mrs. Frances B. Turner, a member of Zorah Chapter No. 4 O.E.S. in this city, was crowned Queen of the state in a Financial Drive. She won in the race of thirty-three Chapters' Queens. She was accompanied on the throne by her husband, James Turner, who is the Worthy Patron of the same chapter. The Carnation service was arranged by Mrs. Captoria Smith. Mrs. Frances B. Turner and the members of Zorah Chapter No. 4 O.E.S. express their thanks to friends for your liberal donations and contributions in the Queen Drive.

Grand Matron Lean Tyus delivered an inspiring address from the subject, "Don't Stand Still" she emphasized the fact that standing still is costly in a changing and advancing society. It is a matter of vital concern

that our talents and energies be directed toward the realization of worthwhile objectives.

The following people were representatives from Hope, Arkansas: St. Andrew Lodge No. 10: Clinnie Gamble, George Smith, Jr., Garland Neal, and Joe Taylor.

King Hiram: Lodge No. 14: Mack Ragland  
Ada Chapter No. 18: W.M. Mildred Johnson, Mrs. Inez Monk, Mrs. Barbara Prater, and Mrs. Linda Monk.

Zorah Chapter No. 4: G.M. Lena Tyus, W.M. Mozell Frierson, P.W.M. Bessie Smith, W.P. James Turner, P.W.P. William Smith, Treas. Captoria Smith and Sec'y J.M. McGhee. Beautiful Hill No. 15: A.M. Reavea Gamble, Sec'y Icesia Lee Muldrow, and A.C. Myrtle Prumiss.

We regret very much that Worthy Matron, Lillie Bell Logan of Beautiful Hill Chapter No. 15 was ill and unable to attend the annual session as usual. The meeting was well attended.

## Soviet Track, Field Lead U.S. in Meet

By MICHAEL JOHNSON  
LENINGRAD (AP) — A strong and experienced Soviet track and field team held a 103-78 lead today over the United States going into the final round of competition.

Encouraged by a cheering crowd of 30,000 Russians, the Soviet women's team piled up a virtually unbeatable 48-26 lead in Thursday's opening day of events. The Soviet men's team led by a thin 55-52 margin.

The U.S. team, already dubbed "babes in the woods" by Coach Leroy Walker, hit the Russians with some stunning surprises but over-all the Americans were outclassed.

Frank Shorter of Rancho de Taos, N.M., posted an easy victory in the 10,000-meter run, lapping one Soviet runner who was racing out of competition.

And the U.S. 400-meter relay team had the crowd cheering it on as it won in 39.1 seconds, just one-tenth of a second ahead of the Russian team. The U.S. team consisted of Roy Crockett, Ben Vaughan, Edward Hart and Robert Taylor.

Another big U.S. win was the 110-meter hurdles. Marcus Walker took a close first at 13.8 and teammate Tom Hill was second at 14.1.

Heavy rain and an untested track hampered both teams, keeping times and distances unspectacular. The new rubberized asphalt track was laid only a few days before the meet opened, and workers still were painting the lanes the day of the meet.

Iris Davis of Long Beach Cal-

if., won the women's 100-meters but complained afterward that the track was "terrible." She also regretted that the U.S. team had not been allowed inside the stadium before the meet started.

The outstanding Soviet performance of the opening night was Valery Borzov's 10.4 time that gave him a victory in the 100-meter dash. This was the first time a Russian has won the 100-meter event against an American team.

The U.S. team, which defeated France but lost to West Germany before coming to the Soviet Union, includes several members who have never competed in international meets before.

## Dallas-Fort Worth 10, Arkansas 4

ARLINGTON, Tex. (AP) — On a basehit binge for the fourth straight night, the Dallas-Fort Worth Spurs used two big innings to blast Arkansas 10-4 Thursday night and run their winning streak to four games in the Texas League.

The Spurs have scored at least 10 runs in each of the four games.  
Leading 2-1 in the third inning, the Spurs combined four hits for three runs against Arkansas starter and loser Ray Bare. 7-9, and chased him in the fifth when they scored five runs.

Chris Carnegie and Scott McDonald led the 15-hit Spur attack with three hits each. Lou Beasley slugged a bases loaded triple in the fifth.

Mike Herson, 3-7, coasted in on a six-hitter with three of the runs scored against him. Unearned Wayne Dees slugged a 335-foot homer in the sixth for Arkansas.

## Plans Unsure for Record Breaking Star

By GEOFFREY MILLER  
Associated Press Sports Writer  
EDINBURGH, Scotland (AP) — The future of Marilyn Neufville, new holder of the world 400-meter record, was the big question mark hanging over the Commonwealth Games today.

Will she run again for Britain, to which she is tied under international track and field rules? Or will she want to compete for Jamaica, the country where she was born?

After the 17-year-old London schoolgirl won the 400-meter gold medal Thursday in the record-shattering time of 50.0 seconds, she staged an extraordinary scene before 40 newsmen in a room set aside for press interviews.

Jamaican team manager Norman Hill brought her into the room, ushered her into the seat of honor and then announced she wasn't going to say anything. To every question from reporters she just silently shook her head.

Hill's explanation was that she was afraid of saying something that would jeopardize her future in the sport.

But he didn't explain why she went to the conference at all. Miss Neufville appears to be in trouble with the British Amateur Athletic Association for which she has competed in international meets.

She chose to run for Jamaica in the Commonwealth Games, which are staged on friendly and informal lines.

The British agreed she could tour Europe with the Jamaican team before the games on condition she returned to London to run for Britain against East Germany two weeks ago. She defied the British and stayed with the Jamaicans.

The Jamaican girl's run, which lopped seven-tenths of a second off the old record held jointly by Nichole Duclos and Colette Besson of France, was the highlight of Thursday's events.

But Kip Keino of Kenya, ignoring anonymous threats to his life, briefly caught the limelight by racing away in his heat of the 5,000-meter qualification. On Saturday Keino has a chance to add the 5,000 meters to the 1,500 gold medal he won Wednesday.

## Fractional Fare Hike Aids Planes

By VERN HAUGLAND  
AP Aviation Writer

WASHINGTON (AP) — The nation's airlines may stand to make nearly \$50 million a year more under their recently granted authority to round fares upward to the nearest dollar.

Rounding off ticket prices was approved by the Civil Board Air system. The new prices, and an aircraft use tax increase from 5 to 8 per cent, went into effect July 1.

The airlines say the new tax rate will take a \$10 million bite out of the additional revenue.

On jet airliners that annual charge is \$25 per plane, plus 3 1/2 cents a pound. On piston-engine aircraft the fee is \$25 a year, plus 2 cents a pound.

The simplified fares went into effect for a two-month trial period July 1, when the federal tax was raised.

The CAB authorized scheduled airlines to raise existing fares by sufficient penny amounts to provide a new total, including tax, in even dollars.

Most of the airlines have asked the CAB to continue the fare-adjustment authority indefinitely, beyond its Aug. 31 expiration date.

The CAB asked the airlines to estimate the annual revenue increase and also to indicate their anticipated annual payments under the aircraft use tax.

Not all the airlines submitted estimates of the tax, but those that did included United, \$2.6 million; Eastern, \$1.5 million; American, \$1.4 million; Delta, \$930,000; Continental, \$360,000; Braniff, \$338,000; Frontier, \$140,000; North Central, \$106,000; Piedmont, \$100,000; Ozark, \$89,000; Alaska, \$50,000; Aloha, \$20,000.

The largest airline, United, estimated that its 1971 added revenue from the change would total about \$11.5 million.

American set its 1971 probable yield at \$8.2 million, and estimated the amount for the last half of 1970 at \$4 million.

Generation(s) Of Change

If each new generation failed to start out with high ideals and an urge to improve upon the past, civilization would indeed be short-lived. The only trouble is that each succeeding generation seems to believe it is the first to awaken to a need for change. By the time it realizes it is just another in a long parade of generations, it is no longer a fire-breathing changer. Still another has come along to take its place.

J. Edgar Hoover, who has been a fighter for justice all his life, told not so long ago how it was when he was young. He said, "Lawlessness, violence, and injustice existed during my youth. Corrupt and greedy men of high position violated public trust in their lust for power and wealth. Bigotry and prejudice divided our people. Those faithless to the cause of freedom and democracy sought to subvert and to destroy our nation. Then, as now, youth were faced with the imperative to act... to protect the bright promise of America. In my youth I accepted this stern obligation of responsible citizenship... I hope to continue indefinitely in my service to America."

Youth today must build on the progress of the past. Those who recognize that there has been progress in the past are the best qualified builders of a better future. — Lenoir (N.C.) News-Topic

## Student Deferment May Stay

WASHINGTON (AP) — Without closing the door on President Nixon's plan to abolish student draft deferments, House Armed Services Chairman L. Mendel Rivers says Congress is unlikely to act on draft reform this year.

Rivers made the statements Thursday at the same time Secretary of Defense Melvin R. Laird announced draft calls will average below 10,000 a month for the remainder of the year.

The reduction to pre-Vietnam levels was coupled with a statement by Laird that "we are doing all we can to plan and implement a program that will reduce draft calls to zero and enable us to establish an all-volunteer force."

Laird made no prediction when this might happen.

Rivers said a subcommittee review of the entire draft law is already under way, but added he plans no wholesale reform bills this year.

"It depends what the pressures on the President are and whether he needs it," the South Carolina Democrat said of Nixon's deferment plan. "We'll have to find out."

"I don't think we can do much this late in the session," he said. "I plan no bills this year—but I don't know what the subcommittee will recommend."

## "Mafia," "Cosa Nostra" Not to Be Used

WASHINGTON (AP) — Attorney Gen. John N. Mitchell has ordered a stop to use of the words "Mafia" and "Cosa Nostra."

"It is becoming increasingly clear," Mitchell said in a memorandum prepared for department officials, "that many good Americans of Italian descent are offended by the use of the terms Mafia and Cosa Nostra in news reports dealing with organized crime."

"Accordingly, since there is nothing to be gained by using these terms except to give gratuitous offense, I am requesting that we discontinue their use in news releases, speeches or other public statements of this department and its components," Mitchell said.

The decree came as a result of numerous complaints received by the department, congressional offices and the White House, an aide to the attorney general said.

## 60 Firms Cited for Pollution

By MARK BROWN

Associated Press Writer

WASHINGTON (AP) — The Justice Department has authorized civil suits against 10 companies whose names were turned in by the Interior Department for allegedly dumping mercury in lakes and rivers of seven states.

The suits will be the first filed by the Justice Department under the little used 1899 Refuse Act, Attorney Gen. John N. Mitchell said.

U.S. attorneys in districts where the alleged polluters are located have been authorized to file suits seeking injunctions against continued discharge of mercury and to require the companies to take steps to remedy the effects of past pollution.

"Because mercury pollution is a serious matter, civil injunction proceedings are being authorized instead of the usual criminal action under the criminal Refuse Act, where the penalty is relatively light," said Asst. Attorney Gen. Shiro Kashiwa.

Kashiwa is head of the department's land and natural resources division.

The cases were submitted to the Justice Department Tuesday by Secretary of the Interior Walter J. Hickel. Published reports said the number submitted was 13, but the Justice Department said that number was inaccurate.

Criminal penalties under the act provide for fines of up to \$2,500 and jail sentences of up to one year for individuals. Justice Department spokesmen contend injunctive action requiring polluters to stop does more to improve the environment than assessing the criminal penalties.

Suits under the 71-year-old antipollution statute were ordered

## Evidence Seems to Show an Explosion Created the Universe

By FRANK CAREY

AP Science Writer

WASHINGTON (AP) — Navy astronomers reported today discovery of new evidence supporting the "Big Bang" theory that the universe was created billions of years ago by the explosion of a fireball.

The evidence consists of X rays believed to come from an invisible galaxy some 76 million-trillion miles from the planet Earth, the team of Navy scientists said.

The pattern and relatively low level intensity of the X rays substantiate Big Bang theorists' beliefs that space radiation has an extremely cold temperature.

The temperature would have to be "cold" to confirm the Big Bang theory. Earlier measurements taken in the Milky Way galaxy by infra-red techniques have indicated space radiation is warm.

The "Big Bang" theory has long been the more heavily-favored of the two major concepts to explain the birth of the universe.

It holds that some 10 billion years ago all the matter for a potential universe was contained in a primordial fireball—a massive single "atom"—having a temperature of 10 billion degrees.

This super-fireball lasted only a second, then exploded with a "Big Bang"—to eventually form all the stars, galaxies and planets.

The theory also holds that ra-

diation from the initial blast still pervades the universe—so that at least some of the radio-waves detectable on earth by radio-telescopes represent, in effect, the very whispers or echoes of creation itself.

The rival theory to the "Big Bang" is the so-called "Steady State" concept—also known as "the theory of continuous creation."

It contends the universe has always been in a steady state, but that matter is continuously being fed into it—possibly just one atom at a time—and that this is what makes the universe expand, rather than any primeval fireworks.

The new evidence was obtained by an X-ray telescope carried 102 miles high by an Aerobee rocket launched from White Sands, N.M., missile range in April 1968.

The telescope, in an up-and-down flight lasting only a few minutes, zeroed in on an optically-invisible radio galaxy called "Centaurus-A"—the nearest of the powerful radio-emitting galaxies, the Navy said.

The evidence dispels doubt recently cast on the "Big Bang" theory of the universe's creation, the scientists said.

The X rays are "truly a measurement of the space radiation as it exists out in the cold environment of outer space, where as the infra-red observations constitute just a measurement of the background radiation within our own galaxy," the scientists said.

## Tate Murder Trial Opens Today

By LINDA DEUTSCH

Associated Press Writer

LOS ANGELES (AP) — The curtain goes up today in the Sharon Tate murder trial with a young prosecutor ready to outline the state's case against four hippie-type defendants.

Deputy Dist. Atty. Vincent Bugliosi had promised that in his opening statement he would disclose the reason the beautiful, pregnant actress and six others were slain last August. "The motive is even more bizarre than the killings themselves," he said.

After Bugliosi the state was expected to begin calling a battalion of witnesses, aiming to prove that shaggy-haired, diminutive Charles Manson, 35, ordered his young followers on a murderous mission last August.

The state will try to show that Manson held a strange dominance over members of his hippie-style "family," including the three comely women on trial with him—Susan Atkins, 21, Leslie Van Houten, 20, and Patricia Krenwinkel, 22.

All are charged with murder-conspiracy.

The prosecution is expected to bring forth members of Manson's nomadic cult to tell of their communal life at the Spahn Ranch and later at a fortress-like encampment near Death Valley.

The state's ace is one star witness—petite, sandy-haired Linda Kasabian.

Mrs. Kasabian, 21, onetime member of Manson's clan and mother of two babies, has reportedly agreed to tell what she knows of the killings in return for immunity from prosecution. She'll take the stand Monday, and the prosecution says she may testify for as long as five days.

## FBI Manhunt Launched for Terrorists

DETROIT (AP) — Federal agents search underground haunts today for 10 of the 13 members of the radical Weatherman organization indicted on charges of conspiring to build a nationwide revolutionary network to bomb and kill.

Some may have already sought sanctuary in Communist countries, said Asst. Atty. Gen. Will B. Wilson, head of the Justice Department's criminal division.

"If they are in the country, we'll catch them eventually," Wilson said in Washington after the indictments were made public Thursday.

Three of the accused were arrested Thursday.

Heading the list of seven women and six men charged with the plot were Mark Rudd, 23, who led a campus revolt at Columbia University three years ago, and Bernardine Dohrn, 27, former national secretary of the Students for a Democratic Society, both missing.

The indictment charges the defendants conspired to "use bombs, destructive devices and explosives to destroy police installations and other business and educational buildings throughout the country and to kill and injure persons therein."

Wilson said only one alleged bombing attempt was carried out—at the Detroit Police Officers Association building.

Detroit police said a package containing 10 sticks of dynamite was thrown through a rear window of the building March 6, but failed to explode.

In the far-reaching case, 15 persons were named coconspirators, but not defendants in the indictment, returned by a federal grand jury in Detroit.

Five of the 13 named defendants Thursday and four named coconspirators were among 12 persons indicted in April on charges of conspiring to cross state lines to incite a riot during the Weatherman's so-called "Days of Rage" in Chicago last Oct. 8-11.

The indictment centers around the Weatherman's "war council" at Flint, Mich., at the end of December, when leaders met to plan national strategy.

## Garrett Director Pardons, Parole

LITTLE ROCK (AP) — Jim Garrett has taken over as director of the Pardons and Paroles Division of the Department of Correction.

Garrett, 42, has been acting director of the division since he succeeded Victor Urban last May 15.

## Man Held in Parliament Bombing

By RODNEY PINDER

Associated Press Writer

LONDON (AP) — Scotland Yard detectives charged a construction laborer today with illegally possessing two grenades of riot control gas which exploded in Britain's Parliament Thursday, causing the worst disruption in the House of Commons since the bombings of World War II.

James Anthony Roche, 26, silent in an orange sports shirt and a leather jacket, was ordered at Bow Street Court to be held in jail for another court appearance July 31. He was not asked to plead guilty or innocent.

As Roche appeared in court, workmen replaced the burned green carpets in the mother of parliaments where two cannisters of CS tear and nausea gas set off minor fires and drove legislators reeling and weeping from the chamber. Several were overcome by the smoke and one was hospitalized for treatment.

The grenades were thrown from the visitors' gallery with a shout of "Belfast! See how you like it."

Scotland Yard officials, alarmed by the gas attack and fearful that publicity could lead to more such intonations or possible explosive bombings, began a thorough study of security problems in the cluttered old Gothic buildings.

Deputy Assistant Commissioner John Gerard, the Yard's trouble shooter who handles security at demonstrations and state ceremonies, was assigned to check plans for increased protection.

The Northern Ireland Civil Rights Information Center said the members of Parliament had been given a taste of "the substance to which the civilian population of Belfast and Londonderry has been subjected."

## U.S. Assistance to Latin America Hits Low Mark of Decade

By GEORGE GEDDA

Associated Press Writer

WASHINGTON (AP) — The Nixon administration's Latin American policies have been damned by critics as the "politics of neglect."

Supporters praise U.S. relations as "politics of realism."

But both sides agree on one thing—the administration's South-of-the-border diplomacy has not been practiced by the United States for some time.

President Nixon's "low profile" policies represent a studied effort to make the United States less visible in Latin America.

Economic assistance to Latin America has dipped to a 10-year low. Military aid has been cut by 75 per cent from 1966 levels. United States military missions in the region are being reduced to almost half the size they were two years ago.

State Department declarations on Latin America, once a common occurrence, have been reduced to a trickle. Every major region of the world has been visited by Secretary of State William P. Rogers except one—Latin America.

One Latin American diplomat described U.S. policy recently as "an attempt to make the Latin American forget that the United States is the paramount power of the Western hemisphere."

Defenders of the Nixon policy note during the first 18 months of the previous administration, former President Lyndon B. Johnson used American troops to quell uprisings in both Panama and the Dominican Republic.

Under Nixon, the observers pointed out, Latin America is one area of the world which has been free of crises for the United States.

The Nixon policy is based on the belief that the Latin American nations themselves—and not the United States—bear the responsibility for solving the problems that plague most of the region—underdevelopment, unemployment, urbanization, population, illiteracy and malnutrition, to name a few.

Administration officials believe the United States created widespread disillusionment in Latin America during the 1960s by making promises on which it could not possibly deliver.

But one U.S. ambassador, who asked not to be identified, said in a recent interview:

"The (Nixon administration) policy is fine for the short run. But it shows little regard for the problem of the widening gap between the rich and the poor nations. Nixon's policy isn't doing very much to solve it."

Other critics cite the report prepared for Nixon last year by Gov. Nelson A. Rockefeller of New York. Rockefeller, Nixon's erstwhile adviser on Latin America, made 83 recommendations which he felt would strengthen inter-American cooperation. All but a few have been ignored by the administration.

Arthur Schlesinger, Latin American adviser for President John F. Kennedy, cites Nixon's promise to give hemispheric problems "highest priority."

"If this is what he has done," Schlesinger wrote, "one hesitates to think when he will get to low priority problems."

## Race Riot Erupts in Peoria, Ill.

By THE ASSOCIATED PRESS

Shooting, firebombing and rock throwing erupted around three predominantly Negro federal housing complexes in Peoria, Ill., Thursday night after two women were evicted from one of the projects.

In separate incidents, shotgun blasts from the street wounded three white patrons in two taverns near one of the projects. Police blamed a youth gang. Two of the patrons were seriously injured.

Police arrested more than 20 adults and detained about a dozen juveniles before dispersing the crowds early today. Mayor E. Michael O'Brien imposed a curfew on persons under 21 until further notice, and halted liquor and bulk gasoline sales.

In Cairo, Ill., whites and blacks exchanged gunfire late Thursday night but no injuries were reported. Police arrested one person but would disclose no details.

And in New Brunswick, N.J., police said they fired a volley of shots over the heads of about 15 black youths to disperse them during a night of rock throwing and firebombing in which 13 persons were arrested.

In Peoria, police reported several robberies occurred during the disturbance including one incident where a group of black youths took \$300 from a cash register of a downtown hotel.

Authorities said the trouble began when deputies evicted Dorothy Johnson and Sirtia Hines from the Taft Homes on the North Side for failing to pay damage assessments added to delinquent rent bills.

The disturbance spread to the Warner Homes and Harrison Homes, both on the South Side. Police said most of those arrested were charged with disorderly conduct, resisting arrest and assault.

In Cairo, a police spokesman said the shooting started about 10:30 p.m. And was concentrated at the Negro Pyramid Courts housing project. Cause of the outbreak was not determined.

In New Brunswick, windows were smashed in the downtown business area. Firemen attempting to douse a fire in a vacant building in a predominantly Negro section were pelted with rocks.

The police volley was fired when the youths ignored an order to disperse as they advanced on a group of about 10 policemen, officers said. Pistols and shotguns were fired over their heads and the crowd fled.

## Temperature to Return to July Normal

By THE ASSOCIATED PRESS

Temperatures across the state are expected to begin returning to the July groove Saturday after dipping to near record low temperatures the past few nights.

Sunshine was forecast today for the western portion of the state while cloudiness in the eastern portion was expected to hold temperatures in the low 80s.

Low temperatures tonight are forecast in the 60s and low 70s but should warm up to around 90 Saturday.

Widely scattered showers and thundershowers east to an isolated shower in the west are forecast through Saturday and mainly for the afternoon and evening hours.

## Nixon Signs Bill to Aid Building

WASHINGTON (AP) — President Nixon's schedule just before a ten-day trip to the West Coast included emergency bill signing ceremonies that would give the lagging home building industry a much-needed infusion of new money.

The Emergency Home Finance Act, sent to Nixon by the House Monday, authorizes the appropriation of \$1.2 billion to fund three mortgage interest rate subsidy programs.
